pre-organized to spit just befor
we piss in irruptiv interdunes?

bindl the crumpl

yo seismic joogoo rump is so receptiv

o manscaping land

becoming egan my own buttern jug

o landscaping bland

u'v reprised he oppule nukl
into the scamper-choke effamy
and no this blaring backlash hose
is al u have for a stolid bang
in chicken weed

hi, hugly

as i stand aslump in the sleet
blinking abstergent inconsistencies
at he-sculpturized infantology
of wut we can get in the sway
letting grounds be gregarius
with their own dichotic intentions
i feel a very fine prik in the geest
and wonder - shd anyun liv in the we
wd water then go thru our skin?

that lump in my bak is bak

for now, i'm algae

is anything more gorgeous
than a patch of eager pumpkins?

open up, wheezing mind

giving his al to the faraway whimper
his affuitions gurbl my heat valv
with jiggering hoks not so feted
as the cornered puma enlising
extracepted communificessity

stukl outchickle

do the sukubees chomp yr
internal tip, or just bild
landiards up the defish?

al the guile

arnica weevils r raging bare

an organ pipe, now snatch sog

each winno-makers brace for smilt
on a svelt, gritty derivaridge,
kindling the krag t'inaction

don't ask wise

if i'm frozen to the ulva cups
of salluvium, let's scutl the prosp
up th'eronic pylar whoosh

can u bear no?

fire in the fog, o denuded malishnapee

this is my noment

one starter galoot

kish

fuuuuuuuup
it is the midl of the lite
and with palmicles asterved
a wapiti of the verdin limk
snivels round the cormabund
lowing, wut do our futures mold?

goo for optinagy

nah

synchny, i need a foezabun

air gut keeps complicating
wut the darplings lippy habued
and this has cut her disputerus
on the nextest

snorg

y must evrything talk at once?

sneaky loaves of snitches

and wrye, the happy bog mommy,
putscht her tolden rude half way up
the hill hole, like a normal poopl,
smelling of currant compulsion

u who fink the woods r free
speak to be remembered
but i say with all my disweasel:

kank

sormalite

flowering tugs

theodobone

howgalag

suknok

dinishnu's gwib

pilp worbl

wooly kank

anywer crissal thrasher

four-headed skirt

protosiphon retortiscopsis

dead fan's huff

simpl blimpettes

hanging delicious pygmy bull trap

fat blurballs

elegant fat blurballs

false blurballs

common false fat blurballs

glamorous urchin

the semi-striated southern
bushy-gilled ponderous
rock-boring deep sea
low-flying razor-faced
self-biting half-squarish
gitch

thru-yr-shoe

the feathered alligator clam

nosehairs of total destruction

cute sot

smatter on the cnux

locofused farbill

boogie pork (burrowing)

fondadoodadud

pink man's prayers

can't-sit-stil-in-snow

inviabile ocelot wannabe

what trickles

she says too much

saltmarsh ridicule

grim mormon's grin

asexual whip-crested prickly kinnickinnick

leaving early late

smitten sour noodge

hickies away

sasquatch's eyeshadow

flat-breasted boob

dog butt

joke butt

all-over-the-god-damned-place stuff

blossoming ash

kinf of the droppings

weasely wonderful hamburger uterus louse
wreckage reneged

greater social honk wasp

natans clingia

shrieks-o-fern

the electric chiricuahan sucking tortoise

sulphamander

sir nervy's punk

lim lim

caged child's tears

exclusive explosive leftovers

crawl along the baklit fence
to leap past last position

i've no knowledge of
inferred time-defying pouches

nervalon seeks ajiji

such selvs as cobras shake

snuff nustle murmur bean

into amber i goo

my punkish lishmany,
digested by soggy grit

come, dark suitor of the kill

trust in sipids

brooms of zeak reboundiful
roggl among the penis daisies

talons clap for roaming

moose with its tic guard down

seminese

bustles ablend with
roving vivuscaped aphlets

ponder quik

conk conk conk

by grudgment of my molted ducts,
i'm driven to the wade of u

as the wave i luv lifts me to the gull

the end

who keeps hoofing my stint?

loss will save us

fuuaaahn

daylite lovers uh hu

their flat blot wil do
for getting carried away

leve it to a loon

hosed by hose envelopment,
lichen scrag colony covets
the receding herd sentimentality,
for how play the nippy bisque?

mangle succumbeth

pligature plovens at switch
colignity pamblist waroaram

life in sooth wrackt by leech

cone in mix?

stercic pap module
buries its brash sex ax

in the half-rekt squid weat
no choice: play big or ded
abundance, absence, psychosis
creeping couch monocot
i hav evry intention
cleek
milk out of mind
it's been life-longer silences
hopnotcht with stentorian broodings
al about the grouse
cully of wjib, parent
vessel to the hagioplage,
dumps nomon siblings
into the action, crawl cleft,
perpetuating switch-chambered
polyp stamping bodies
ther's things in me
bigger'n me
reefelling zarkle
pudula
ah, pudula
the great cactus is ded in a dodge
coward's pose
a hed lopt off at the ankles
bellies the fungus divide
answering hazical rim
taggered in corn bloat,

whimpering waterfall
this sweet urth is shit
tawhip, tawhap, tawhoop
tawheep
abundant hills, holding all bak
i've quainted myself into a coroner
lazy spouts of conscious mess
lites on caged hosanna
aspen eight legs
takes no visitors
we are our midst
the puls of al comes thru in coons
mystic bickering smithys the nite;
the louse of forethot flits
its eyelets, catching far pools
off hoypen butte; ancestry
of disfunction ruberates,
growing tripedal; togons terramoan
sesh?
lish manute
slickerish rolling grozas
nuster niche, obralein
how queen the carp?
last call at the piss drinker's ball
hick, up
a scrap of plenum

born under a bear
licks dork mint
off a buck's frill

mmmm, warm gumpkins

it runs bak to hadal fragments
that hoot "i feel so felt"

zootopl the speme of mockenstance

we can with curbonated clanguage
yet wail away the ipsonade

seven dedly ways to say i'm u

she's organs u can unsens

another feary grin dissolvd
into my tear ducts

enlightened dormancy or
rejoinder to the impass of indiff?

insta-then, insta-else, insta-may

how can dreams come true wen
they're given false information?

the serch for the inviolate has
been abandoned by its carapace

broke is how u spend it

i'm due to be sectioned at dawn,
but we'll see wut's trounced
as the bakbone spins and slethy
catches no must

abmolished toomyalet u

the glowworm begins at my legs
eating my abdomen to the sunset
leaving only a massiv pile of spit-up

umnuts, sikly in the hyberniad

wut a luvly barrage of form
this tributary presents today
for no reason other than the surroundings
seemed to be filld with gottenvibe
our abraded brain dries on
granite scrop, nek in nek, tripping
on sand, vile ass sporangia,
otherwise forst to develop fitful

who thinks strait?

that i may succeed in the pain trials
dishing on the savannah allabance
sissive among my survival bilds
a duplex of distincting desires,
bakstabber n me float abuv
the limpid ossuary, volleying
for deth honey. dripsids ascend
cottonwood smarm al about
my hidden squeez. i hunt from this rok
sumthn insubstantial to the alone
places. not a day without the falcons.
cd i find her i'd inject her faction
with wut my progenitors need,
for the journey to the south wall
wer pluverans make hekl across
the glind has yet to sequester blood
in copy fire. i try to luv my hole.
goodly, this pattern unflatters me.

THE END
